### Product description

VIASOL EP-S606 GLOSS<sup>FF</sup> is a colored, two component solvent-based epoxy sealer in gloss finish. It has good abrasion resistance, a good resistance to oil and most solvents as well as many other chemicals. ### Characteristics

- Good Chemical resistant
- Wear resistant
- Aesthetic flexibility in a variety color

### Care and maintenance

The lifespan and performance of your resin floor can be extended considerably by adopting a regular cleaning and care programme. We recommend the use of an alkaline based cleaning agent.
